

Calendar 2011 - 2012

Important Dates, Events to Note for the Calendar 2011

- The general staff briefing will take place on Mondays from September 2011 onwards, as opposed to Tuesdays as has previously been the case.
- In order to cater for the request to increase the number of Subject Meetings, College Leadership Group meetings have been moved to Tuesdays. Other meetings in the same week have been taken into consideration when planning these, though, inevitably, there are weeks when there are more than one meeting. Over the course of the year, it is intended that this additional load is distributed fairly.
- TLC Meeting: the Teaching Learning Community (TLC) is a new approach to CPD which will be launched early in September. The last of these meetings takes place on Tuesday 27th March and is created from disaggregation of the training day on Monday 23rd July.
- After school PSHE meetings have been reduced, and replaced by PSHE Briefing slots two weeks before PSHE Days.
- On 13th March, a Performance Management Review meeting has been scheduled. This is to allow a review of objectives and progress since September. Although the meeting may take place at another time, the meeting has been created from the disaggregation of the training day on Monday 23rd July.
- NQT meetings have been reduced this year.
- All exam dates and times are provisional at the time of printing.
